About

Welcome to Helio Anthus , where creativity meets adventure. Founded by two passionate partners, Sakshi Chhibber and Aseem Sidhu, our company blends the art of production design with the thrill of exploration. With a shared love for travel and a keen eye for detail, we embark on journeys around the world, gathering inspiration from diverse cultures, landscapes, and stories.

At Helio Anthus, we believe that every project is a unique narrative waiting to be told. Drawing from our rich tapestry of experiences, we infuse each production with authenticity, depth, and imagination. Whether it's crafting immersive sets, designing captivating visuals, or curating compelling environments, our team thrives on bringing stories to life in ways that captivate audiences and leave a lasting impact.

With a commitment to excellence and a spirit of adventure, Helio Anthus is not just a production design firm; it's a creative odyssey fueled by passion, innovation, and the wonders of the world. Join us on this exhilarating journey, where every project is an opportunity to transform imagination into reality.
